### **PERRYSBURG YOUTH SOCCER ASSOCIATION (PYSA) PRESENTATION**

Kelsie Ray, Shelbi Newland and Chris Fix, representatives from Perrysburg Youth Soccer Association (PYSA). Ms. Ray began by speaking about the organization's mission statement, which is "To provide recreational soccer activity for kids of any skill set and age in a safe, fun and developmental environment." PYSA provides recreational soccer beginning in preschool and continuing through high school, and over 1,100 kids in grades PreK to 12th from the Perrysburg community play every year. Ms. Ray stated that a major focus of our program is fun for all participants (players, coaches, and parents). She said that PYSA stresses playing more than winning.

Mr. Fix and Ms. Ray spoke about the organization's future goals, which is to continually offer soccer programs on a consistent basis to all kids who want to play. They stated that it is \$60 per season to play, and a jersey is \$25, but they keep the jerseys the same every year so they can be re-used and donated back to the organization for families that need them. The representatives asked the committee if they could discuss using more of the fields at Rivercrest Park when they are being under utilized by the other soccer organizations in the city. The Committee members said that they should reach out to Mr. Ross in Public Service. The committee members thanked all three representatives for attending tonight and all the hard work they do for PYSA and the residents of the City.
