

ECONOMIC DEVELOPMENT COMMITTEE

APRIL 15, 2015

The meeting was called to order at 5:00 p.m. by Chairman John Kevern. Committee members present were: John Kevern, Rick Rettig and Barry VanHoozen. Also present was Economic Development Consultant Glenn Grisdale.

ALPHA KILO/TARPSTOP CRA APPLICATION

Mr. Grisdale stated that Andy Knepper of Tarpstop, the applicant, was unable to be present for the meeting. He said that this application was introduced at last month's meeting. It is for \$420,000 of new real property improvements adjacent to Tarpstop's existing facility. Both Perrysburg Schools and Penta have been notified and they are okay with the application. There will be \$125,000 in new payroll and five new jobs will be created. There was discussion regarding some planning and zoning issues at the current site. Mr. VanHoozen asked if it is appropriate to move forward with this application due to these issues. Mr. Grisdale stated that the Site Plan has been approved and Brody Walters, Planning and Zoning Administrator, said that this expansion should help resolve the outside storage issue.

The Committee agreed 3-0 to recommend approval of the CRA Application for Alpha Kilo/Tarpstop.

There being no further business, the meeting adjourned at 5:12 p.m.

Respectfully submitted,

John Kevern, Chairman
Economic Development Committee
