The Litter Board members introduced themselves to our new student member, Kennedy Rowley.

Harrison Rally Day (Positively Perrysburg) was cancelled so there was no need for a booth.

Judy shared the refuse and recycle survey of neighboring cities with board members

Judy updated members on the glass drop-off recycling tonnages to date. 18.24 tons have been collected at the two city sites and the three downtown restaurants combined totals. There is more tonnage at the drop-off at the Department of Public Utilities which has two dumpsters whereas the Department of Public Service has one dumpster. Swig and Stella have one 96-gallon Toter that is usually at capacity each week and Fifth Street Pub has two 96-gallon Toters that are usually full each week. restaurants have 96-gallon Toters.

Judy shared an update from O-I on their recycling drop-off site.

Judy is working on plans for America Recycles Day on November 15th . She will report progress at the next meeting.

The next scheduled meeting is Thursday, October 14th at 3:45 p.m. at the Department of Public Service.
