

1.23.21 Litter Board Minutes

Members of the board discussed how to reduce contamination in recycling and focus on improving quality. Judy will incorporate articles in the monthly newsletter to focus on those topics.

Drop-off recycling implementation of glass recycling was discussed about dissemination of information and locations for drop-offs. Earth Day was recommended as the roll out date for this program. A schedule of PSA's and other information roll out was developed.

Hard back book recycling will become available at DOPS as Judy has located a new recycling vendor to accept books at no cost. Way Library was discussed as a possible option also.

Rotary will be hosting a recycling drop-off event on April 24th. Televisions are one of the items they wish to collect. Judy will investigate vendors and items for this recycle event.

Meeting schedule was set for 2021.
