

SPECIAL SERVICE COMMITTEE

JULY 11, 2016

The meeting was called to order at 5:05 p.m. by Chairperson Becky Williams. Committee members present were Rick Rettig, Barry VanHoozen and Becky Williams. Also present was Doug Dariano, City Engineer.

ECKEL JUNCTION ROAD/CARRONADE DRIVE ROUNDABOUT

Mr. Dariano reported that bids for construction of the Eckel Junction Road/Carronade Drive roundabout were opened last Friday. There were four bids and the lowest was from Schoen, Inc. in the amount of \$605,539.25. Mr. Dariano said funds for this project are in the 2016 budget and there is a TMACOG CMAQ grant in the amount of \$240,000. Construction will begin on September 12th because ODOT would like this project completed before they begin the roundabout at Carronade and SR199. Mr. Rettig asked how the amount of the grant was figured and Mr. Dariano said it is a lump sum, not an 80/20 grant. Mr. VanHoozen asked if the bidders were aware of the timeline for construction and Mr. Dariano said they were. Mr. VanHoozen asked if the intersection at Eckel Junction Road and SR199 will be closed after this roundabout is constructed. Mr. Dariano said that would be his recommendation and ODOT is in favor of it but it is not automatic.

There being no further business, the meeting adjourned at 5:10 p.m.

Respectfully submitted,

Becky Williams, Chairperson
Service Committee

Next regular meeting: Wednesday, July 27, 2016 at 5:00 p.m.
