APPROVAL OF SEPTEMBER 12, 2023 MEETING MINUTES

There being no objections, the minutes of the September 12, 2023 meeting were approved 2-0.

Mr. Ross noted that they started the resealing of the multiuse paths, that they talked about at last month's meeting.

DPS REQUESTING PERMISSION TO PURSUE GRANTS THROUGH THE WOOD COUNTY PARK DISTRICT

Mr. Ross explained that for the Wood County Park District less than \$5,000 grant, they are applying for the purchase and installation of two Dero Fixit Repair Bike Stations, which would be at Rivercrest Park and Orleans Park. The total cost for the two repair stations is \$4,770.91. For the grant between \$5,000 and \$10,000, they are applying for the purchase and installation of two ADA compliant barrier free drinking and bottle fill stations, which would be at Riverside Park and Municipal Park. The total cost for the two drinking and bottle fill stations is \$10,000.00. Mr. Smith knows that PRAC had an update on this as well. Mr. Ross responded that he sat down with Judy Hagen and narrowed down PRAC's list to these two. Mr. VanHoozen asked how often they become available. Mr. Ross responded that they are available every year and it is \$100,000.00 total for the entire county. Mr. Smith noted that they have different criteria each year. There being no objections, these are being recommended 2-0 to City Council.
