RESURFACING OF ROTARY PARK TENNIS COURTS & MUNICIPAL PARK BASKETBALL COURTS

Mr. Ross requested approval of an agreement with Courtsmiths in an amount not to exceed \$57,225 for the repair and resurfacing of the Rotary Park tennis courts and the Municipal Park basketball court. He said that this company has done work for the City in the past. He said there is \$60,000 in the budget for this work. Mr. Rettig asked how often this needs to be done, and Mr. Ross said he thinks it was last done eight to ten years ago. Mr. VanHoozen asked if it will be resurfaced, and Mr. Ross said it is a unique process where they power wash off the algae and do a light resurface and paint it with something like a slurry coat. The Committee agreed 3-0 to move this on to City Council.

Mr. Rettig stated that he met with the Administration, and they prepared a summary of expenditures for recreation for the last four years and where the money came from. The summary shows expenditures from the general fund of over \$743,000 since 2020 and total expenditures of over \$3 million dollars. There was discussion about the multi-use paths within the City. Mr. Rettig stated that PRAC brought up the idea of a sand volleyball court.
