#### **Greg Kuhr**

Mr. Kuhr spoke about park emergencies and what qualifies as an emergency. Ms. Hagen gave an example of an emergency which would be someone vandalizing a park or committing another crime, also if something was broken in a way that someone could be hurt by it. And a non-emergency would be if a light bulb was out or something minor was broken, but could not hurt someone.

### **REVIEW ACTION ITEMS FROM MEETING**

#### **Chair**

- Brainstorming ideas for park improvements
- Talks of a Skate Park from Mr. LeCompte
- Updating City website and possibly Instagram with park information
- Think about things wanted/needed in the parks for potential future grants

Ms. Hagen spoke about the \$5,000.00 PRAC grant that is being used for picnic tables at Riverside Park. Also, about the bathroom remodels and bottle refilling stations.

## **OTHER BUSINESS**

The committee talked about possibly starting a kayak rental service at some of the parks with small waterways. They also mentioned reaching out to the YMCA this summer to get use of their pool for kids to swim. Ms. Hagen suggested that the committee members, when they are checking on their parks, pull the small weeds out in front of the park's sign, to make it look nicer. She said this wasn't a requirement but would be a good way to give a good first impression on the park.

## **ADJOURNMENT**

There being no further business, the meeting was adjourned at 8:08 p.m.

Respectfully submitted,

Samantha Jacobson  
Recording Secretary
