APPROVAL OF MARCH 11, 2025 MEETING MINUTES

There being no objections, the minutes of the March 11, 2025 meeting were approved 3-0.

POOL FEATURE PURCHASES

Mr. Ross spoke about pool feature replacements for the public pool. They plan to replace three pool fountain features that are beginning to wear away at their bases. Mr. Ross said that the installation of the new pool features will be done by his staff, so they will save money on installation costs. The total project will be \$26,100.00. Mr. Ross also said that the public pool has been filled early this year to allow the water to warm up before the pool opens on Saturday, May 31st.

PABSC BACKSTOP PAD ADVERTISEMENTS

Mr. Ross spoke about backstop padding advertisements at Municipal Park. Similar to what was done at other field locations, the backstop padding would be replaced with sponsor-purchased mats. These new mats would have a sponsored business logo approved by Mr. Ross on the mats as an advertisement, and the field would get a brand-new backstop pad.

OTHER BUSINESS

Mr. Ross spoke about the new sand volleyball courts that they plan to install at Rivercrest Park. He said once the area dries, they will start putting down sand and a net for two sand volleyball courts.

ADJOURNMENT

There being no further business, the meeting adjourned at 5:12 p.m.

Respectfully submitted,

Rick Rettig, Chairperson
Recreation Committee
